REQUIREMENTS FOR MINISTERIAL STUDENTS SEEKING FINANCIAL ASSISTANCE

1. The student must be a candidate for a B.A., B.S., ADIV, MA, or MDIV degree or equivalent.
2. The student must be a member in regular standing of the endorsing church, affiliated with the Clinch Valley Baptist Association, for a year prior to the time of receiving financial aid. (Membership transferred to a local church while attending college out-of-state does not make the student ineligible for aid.) Only churches contributing to the Clinch Valley Baptist Association and its ministries are eligible to apply for ministerial student aid.
3. The student, after graduation, shall seek to complete his/her education in a designated seminary or graduate school for special training.
4. The final decision on the amount of financial assistance given a student shall be the responsibility of the Strengthening Churches Team and shall be based on individual need and availability of funds.
5. The student receiving aid is requested to keep in confidence the amount of aid granted by the Strengthening Churches Team.
6. Ministerial scholarships shall be considered educational loans and shall be limited to four years at the college level and four years at the seminary level. These funds shall be considered a loan that shall turn into a grant provided that the recipient renders a year of Christian service, in a Southern Baptist Church or facility, for each year of scholarship assistance awarded – following their graduation. (Example: a 1 year scholarship requires 1 year of Christian service, 2 years of scholarship assistance requires 2 years of service, and so on).
